

# NON-PROFIT RECOVERY GRANT

## DESCRIPTION:

To provide non-profit agencies in the City of East Saint Louis who are independent entities with economic relief due to losses that occurred as a direct result of the Pandemic.

## QUALIFICATIONS:

Non-profit Agencies who are operating as 501c3's and were operable prior to March 2020 (must still be in operation) in the City of East Saint Louis.

## APPLICATION PROCESS

Applications are available to any Non-profit Agency, who is located within the City of East St Louis (must show proof of physical address), and who has a demonstrated economic loss as a direct result of the Pandemic.

- Agencies can obtain an application from the Office of Economic and Community Development.
- The Application Packet will contain all requested items and the application must be completed in its entirety.
- The applicant must return the application to the Office of Economic and Community Development.
- Upon receipt of the application and other supporting materials, staff, in partnership with the ARPA Oversight Panel, will make a final determination on recommendation to the City Council for the approval of the application.

**DEADLINE: FRIDAY, JUNE 3, 2022**
