\*\*\*\*\*

RFP 2022-11

---

1. SPECIFICATIONS:

Remove the existing Schedule of Quantities “and replace with attached “Schedule of Quantities.”

2. Add Special Provisions

- i. Item 17. Contractor shall provide all labor, equipment, and materials necessary to perform placing a pavement paint marking line in the centerline of the new pavement. The centerline paint marking line shall be a 4-inch white skip-dashed. The skip dash shall be 10'-30'. Pavement stripe shall be a white Pavement Paint Marking Line and paid for per lineal foot placement.
- ii. Item 18. Contractor shall provide all labor, equipment, and materials necessary to place standard pavement Asphalt Speed Humps of the size determined by the engineer. Locations of speed humps shall be determined by the engineer. The asphalt Speed Humps shall be paid for per Each for placement of s Asphalt Speed Humps.
- iii. Item 19. Contractor shall provide all labor, equipment, and materials necessary to perform placing Weight Limit Signs at the beginning and end of the improvement and as determined by the engineer. Weight limit signs shall be FHWA (R12-1). This item shall be paid for at the contact unit price per Each for Weight Limit Sign.

3. PLANS:

- a. Revise quantities on Summary of Quantity sheet to reflect the new Schedule of Quantities.
- b. Removal Plans
  - i. Remove all references to Curb or Curb and Gutter Removal and replace with Use-In-Place. Curb and Curb and Gutter removal location will be determined by the engineer
- c. Propose Plans
  - i. Remove all references to placement of new Curb or Curb and Gutter. Curb and Curb and Gutter location will be determined by the engineer.

\*Except as modified herein, the bid documents shall remain in full force and effect.
